

“You are a problem-solver. You are an Inventor. You solve problems, big and small, because you have great ideas.” —*Abby Invent's Unbreakable Crayons* by Dr. Arlyne Simon

# Invention Notebook

These are your pages to draw out your ideas like Abby did. Do you remember how she used her notebook to both write and draw her ideas? Keep track of what you do each time you work on solving *your* problems. It's so exciting to imagine what you might invent! Be sure to sign and date your pages on the day that you use them—just like a real-life inventor!
