

List of Problems to Solve!

Inventors look for problems to solve. Collect problems you see right in your home. Think about things that bug you. Ask your family about the problems or things that bug them.

Some problems I want to solve are:

1. _____

2. _____

3. _____

4. _____

5. _____

6. _____

7. _____

8. _____

9. _____

10. _____
