

Whiteboard.fi

Free and Easy-to-Use Digital Whiteboard

Whiteboard.fi is a free digital whiteboard that is very simple and easy to use. The teacher can see all students' whiteboards in real time, while students only see the teacher's whiteboard and their own. The best part is that there's no login required, and it works on any device.

In the Classroom (Grades K–12)

- Whiteboard.fi is a digital whiteboard that can be used in the analog or virtual classroom to support classroom management, gathering of information, and student reflection.
- Teachers can push out information or templates for students to use, students will all have their own copy, and their work can be seen in real time. This allows the teacher to address any misconceptions and showcase examples while gathering assessment data.
- Student work can be captured and saved as a PDF or with a screenshot.

Site Features

- Whiteboard.fi is free and easy to use.
- Whiteboard.fi does not gather any personal information.
